

NEW Romer Infinite 2.0 Series

The ROMER INFINITE 2.0 is the latest innovation in shop floor capable portable CMMS from the leading innovator in portable CMM design and manufacture, ROMER, Inc. Starting with the innovative ROMER INFINITE as its inspiration, the engineers at ROMER rethought, redesigned, and reshaped an iconic product into a new package that incorporates new convenience features, new ergonomic enhancements, performance improvements, and a sleek new industrial design and color scheme. Read about the INFINITE 2.0's exclusive Features , and view the Video to see an INFINITE 2.0 in action, or click any of the links below to find out about the INFINITE 2.0 , the INFINITE 2.0 Plus and the INFINITE 2.0 SC with ScanShark Laser Probes.

INFINITE 2.0 24036-xx

Six axis portable arm, includes: integrated Zero-G counterbalance, SpinGrip, probe holster, re-chargeable Li-ION battery, Wi-Fi wireless interface, digital camera, WinRDS, magnetic base, TESA TKJ 3mm ruby / 6mm ruby / 15mm steel ball probes with carbon fiber shafts, NIST traceable calibrated length standard, travel case, documentation and a 1 year warranty.

INFINITE 2.0 SC 24038-xx

Seven axis portable arm, includes: integrated Zero-G counterbalance, SpinGrip, probe holster, re-chargeable Li-ION battery, Wi-Fi wireless interface, pistol grip combination seventh axis scanning / hard probe wrist assembly with infinite rotation, WinRDS, magnetic base, TESA TKJ 15mm master probe, 3mm ruby / 110mm long for offset location and 6mm ruby / 130mm long for offset location, NIST traceable calibrated length standard, travel case, documentation and a 1 year warranty.

INFINITE 2.0 Plus 24040-xx

Six axis, high accuracy portable arm, includes: integrated counterbalance, SpinGrip, probe holster, re-chargeable Li-ION battery, Wi-Fi wireless interface, digital camera, WinRDS, magnetic base, TESA TKJ 3mm ruby / 6mm ruby / 15mm steel ball probes with carbon fiber shafts, NIST traceable calibrated length standard, travel case, documentation and a 1 year

warranty.

ScanShark V5ix 64230

ScanShark V5ix Laser Probe System for INFINITE 2.0 SC Arms - includes: V5 laser probe with TESA TKJ connector, portable electronics box, calibration sphere with magnetic base, controller arm sync cable, ethernet cable and one year warranty.

ScanShark V4ix 64229

ScanShark V4ix Laser Probe System for INFINITE 2.0 SC Arms - includes: V4ix laser probe with TESA TKJ connector, portable electronics box, calibration sphere with magnetic base, controller arm sync cable, ethernet cable and one year warranty.
